DECISION ON PETITION

The petition to revive under 37 CFR 1.137(b) filed 28 October 2008 in the above-captioned application is hereby GRANTED as follows:

Applicant's statement that "the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional" meets the requirements of 37 CFR 1.137(b)(3).

A review of the application file reveals that applicant has submitted the declaration of the inventors and the requirements of 37 CFR 1.137(b) have been satisfied. Therefore, the request to revive the application abandoned under 35 U.S.C. 371(d) is granted as to the National stage in the United States of America.

This application is being returned to the United States Designated/Elected Office for processing in accordance with this decision.
